2022 Great Lakes Police Motorcycle Training Seminar

Dear Community Partner,

The 2022 Great Lakes Police Motorcycle Training Seminar (GLPMTS) is being hosted by the Ontario Association of Police Motorcycle Instructors (OAPMI) and 407 ETR from August 17th to August 20th 2022. This exciting 4 day event will attract police motorcycle officers from across North America. The event concludes on August 20th with a thrilling competition that will test the participants on the knowledge and skills that they have acquired. This competition is exciting to watch and the public is always encouraged to attend.

The GLPMTS is a unique and essential training opportunity that provides motor officers with the skills and knowledge to safely operate police motorcycles during the course of their duties. The seminar allows officers from across North America to come together to train and learn in a safe and encouraging environment.

Seminar goals include:

- Establish and promote safe motorcycle riding skills within the police community,
- Promote awareness of the police motorcycle officer in the public arena as a safe, responsible motorcycle rider,
- Establish a cohesive fraternity and encourage kinship in the law enforcement motorcycle community,
- Support local and regional charities affiliated with the police community

Over the past 23 years, the seminar has raised tens of thousands of dollars for charity. In 2022, the Ontario Police Memorial and ALS Canada will be the primary charitable recipients.

An event of this nature requires much time, effort and financial commitment. Since we rely heavily on community generosity I am asking that you consider our request at this time. Any assistance would be greatly appreciated.

Thank you for your consideration and we look forward to hearing from you.
