

Greetings,

If you are receiving this email, you likely have attended one of our events in the past. Please share this with anyone you feel would have interest in the following:

The Great Lakes Police Motorcycle Training Seminar Committee are happy to announce that planning for our 2026 event in London, Ontario August 12-15 is well under way and progressing nicely.

The most exciting change we are working on for this year is a state of the art electronic Registration and Scoring (web based) App. Once fully up and running this system will allow for all participants to be connected to the event in real time with their smart phones. It will also allow for electronic score cards, and computer-generated scoring/ results. Resulting in increased accuracy, organization, time savings, and work load reduction for the committee during the event.

Much like everything we do, this is under development by a volunteer and while currently growing and working properly it is going to take sometime to perfect.

While you do not need to download an App to your phone, you will need to use the internet to access it.

This year anyone planning on attending our event as a rider will be asked to go to www.glpmts.ca and click on the REGISTRATION page. Once there follow the link to “**Create an Account**”. This is a quick process that is completed when you access your email to confirm the account creation. Once you have created an account you will not need to do it again next year.

We suggest that this be completed prior to April 1st.

Then.....

Registration Opens-

On **April 1st 2026 anytime after 8:00am** (EST) go to www.glpmts.ca and click on the REGISTRATION page. Once there follow the link to “Register for event” This will bring you back to your account, you can log into and “Register for event”. You will be asked to complete your registration and submit payment, and email confirmation and receipt will be provided.

Please note each rider will need to “Create an Account” and “Register for event” themselves. Each account will be limited to one registration/ rider position. *** This will affect any couples or groups hoping to register as a team. You will find that the process runs similar to concert tickets on ticketmaster but you can only buy one seat. ***

Adding items to your cart like your event t-shirt and evening dinner tickets are free and limited to one (1) per rider. You can however add an additional Banquet ticket at a cost of \$50. There will be no transfers of registration from one person to another.

Civilian Rider spots will be first come first serve and will be capped at fifty (50). After those first 50 the same registration process is to be followed for anyone wishing to get on the wait list.

Should issues arise with the system on April 1st our back up plan is to run a first come first serve list for anyone who emails us at **glpmtscommittee@gmail.com**

We apologize for any inconvenience this may cause, however once we get used to this system it will be much better for the event and the guests. No one hates change more than a police officer so we promise it will all be worth it in the end.

Sincerely,
Byron Harding
