2024 Great Lakes Police Motorcycle Training Seminar

Dear Community Partner,

The 2024 Great Lakes Police Motorcycle Training Seminar (GLPMTS) is being hosted by the Ontario Police College (OPC) from August 14th to August 17th 2024. This exciting 4-day event will attract police motorcycle officers from across North America. The event concludes on August 17th with a thrilling competition that will test the participants on the knowledge and skills that they have acquired. This competition is exciting to watch and the public is always encouraged to attend.

The GLPMTS is a unique and essential training opportunity that provides motor officers with the skills and knowledge to safely operate police motorcycles during the course of their duties. The seminar allows officers from across North America to come together to train and learn in a safe and encouraging environment.

Seminar goals include:

1. To establish and promote safe motorcycle riding skills within the police and civilian community.
2. To promote awareness of the police and civilian motorcycle rider in the public arena as a safe, responsible motorcycle rider.
3. To establish a cohesive bond and encourage kinship in the law enforcement motoring and civilian motorcycle communities.
4. To support local and regional charities affiliated with the motorcycle community.

Over the past 25 years, the seminar has raised tens of thousands of dollars for charity. In 2024, the Ontario Police Memorial will be the primary charitable recipient.

An event of this nature requires much time, effort and financial commitment. Since we rely heavily on community generosity we are asking that you consider our request at this time. Any assistance would be greatly appreciated.

Thank you for your consideration and we look forward to hearing from you.
